Sewer Jetter

# PIPE AND SEWER JETTER PETROL

NEW

## Customers preferred choice:

Sewer jetter with multifunction remote control, which include start/stop function and remote control of valve and RPM adjustment.

A simple yet powerful 60L/150Bar sewer jetter, that has all the requirements needed for a pipe and sewer jetter.

A large hose reel combined with a remote control makes for an efficient sewer jetter in tight spaces.

## Specifications:

- ✓ 360L water tank
- ✓ Powder coated steel frame
- ✓ 50m hose reel
- ✓ Remote control with start/stop and valve adjustment
- ✓ Can be mounted in van or trailer
